

Understanding that the MGCA opposes any increase in minimum wage, it has come to our attention through our alliance with SBAM that they have formed the “Small Business for a Better Michigan” coalition to make sure that the MI Time to Care ballot proposal (Paid Sick Leave) does not leave the hands of elected policy makers.

The strategy for the coalition is to have the legislators first adopt as law, and then amend in Lane Duck.

[Read the one page summary here from the coalition.](#)
